FACULTY SERVICE CLUB

To a beautiful little

wishes we went through

it a gain. I don't give up.
Good luck to you after
grad - I'll always remember

Possibly the most unselfish services rendered to the East Alton-Wood River Community High School are those given by members of the Faculty Service Club. This altruistic group, organized in 1956, asks nothing but the satisfaction of serving the students and the school.

Its most important yearly project is the awarding of the Harry Hayes Smith Scholarship Fund. In the past years this Scholarship has been given to Bob Campbell, Allen Powers, David Apple, and Ronald Walkington.

The Faculty Service Club raises money for this Scholarship Fund by presenting a play each spring. The members of the organization direct, act, and produce the plays themselves. Their productions in the past years have been *Mr. Barry's Etchings*, *Tish*, and *A Visit to a Small Planet*. The club also sponsors a book fair in the fall.

In recognition of its services we dedicate this 1959-1960 Oiler to the Faculty Service Club.

I guess I ought to start closing this note before I write a book. You're a wonderful girl enjoyed being one of your friends. Keep your sweet personality and pretty smile. Good luck in Washington. Don't meet too many bays. I might get jealous. Ha! I think I got enough already. What do you think? Well I hope we can have fun this summer and before we can have fun some more fun and move away. I hope you succeed in all you do.

Love ya,

A moment Seniors will remember.

I don't know what
I can't say except
you are the sweetest girl
I know we sure had fun
went together.

I couldn't write
hunting my arm. When are we
going swimming? I sure hate to see
this year you are the sweetest girl
I know. (I hope you read this) Will write
more later.

I decided to use it
up. Remember
that time
we had that
orange juice over
your house it was
pretty good. Scott &
I thought it was
I hope you get
everything you ever
want. If I can
be of help just
let me know
and I'll try
my best to get
it for you. That
is it is reasonable.
I mean something
like a milk store
is almost out of
the question. If
you know what
I mean and I
think you do.

Carolyn we had many eventful
experiences together, probably could have
had more if I would have known
you longer. Remember all the
trouble we had over a certain
girl. I bet you do how could you
forget. How about that night
you went out with the girl
and came to to five land
later on. Oh was that ever
funny. I want to wish you all
the luck in the world, when
you go to college. I might be
up there in a couple more
years you never can tell. Can
you remember our first date
we always had fun when we
went out I thought. I had
the did not go more so we
could have some more fun.
I hope you have a lot of
fun at the prom. This will
be your last one so make
it a good one. (Cont up there)

CORONATION

Cinderella's fantasy land was the setting for the thirty-second crowning of the Harvest Queen.

With great anticipation the royal court waited for the arrival of the new queen and her royal maids. The maids who arrived first were the Misses Pamela Greenshields, Carmen Allen, Leslie Sparks, and Kathleen Fiegenbaum. They were escorted to their pumpkin thrones set amid twining green vines.

Finally the magic hour arrived and Miss Sally Jo Allen was summoned to the royal court to take her throne as the new Queen of the Harvest.

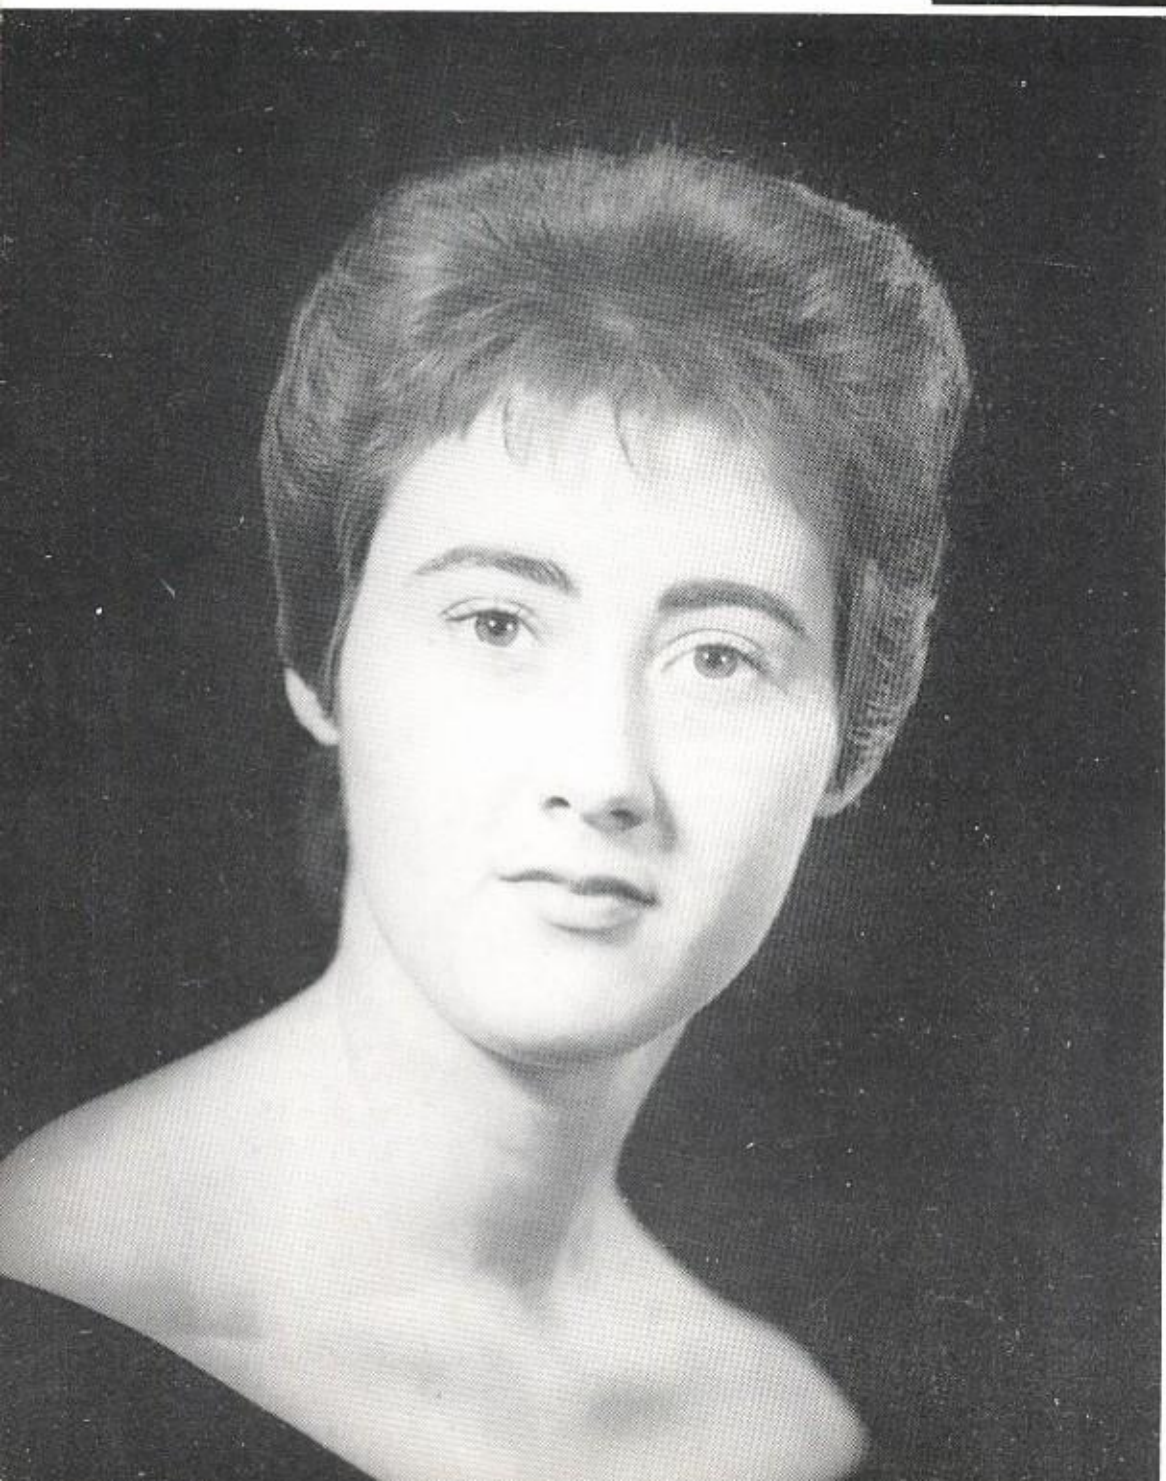

A tremendous ovation was given Her Majesty as she accepted her crown and graciously bowed to her subjects. She was then escorted to her glass slipper throne to begin her reign.

The Wood Cats, the marching band, choral ensembles, and court jesters provided entertainment for the queen and her court.

BIG SISTERS

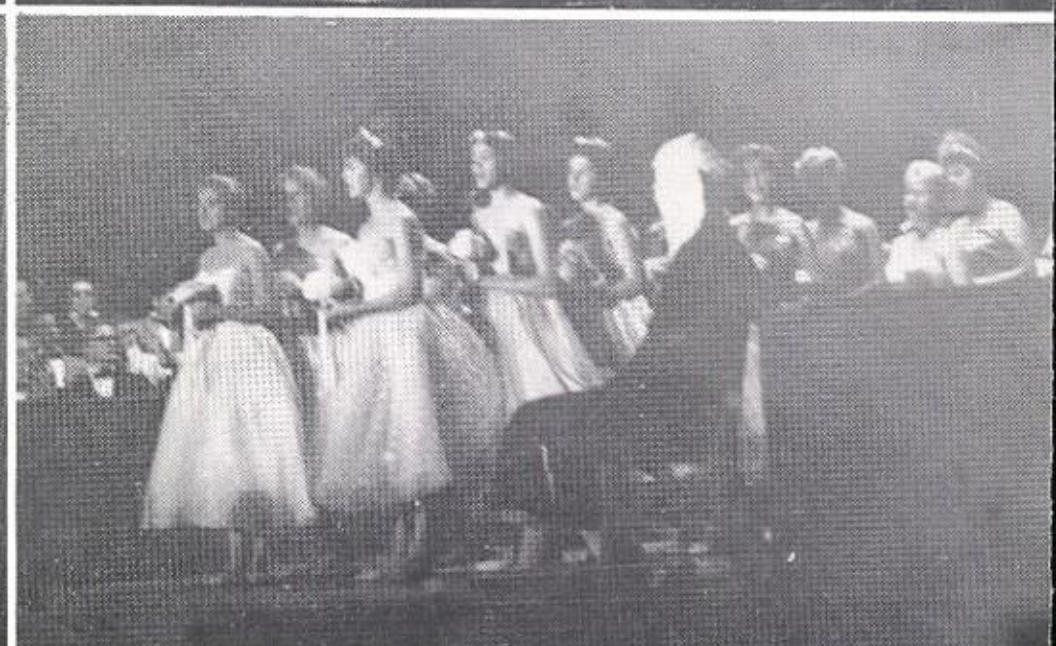

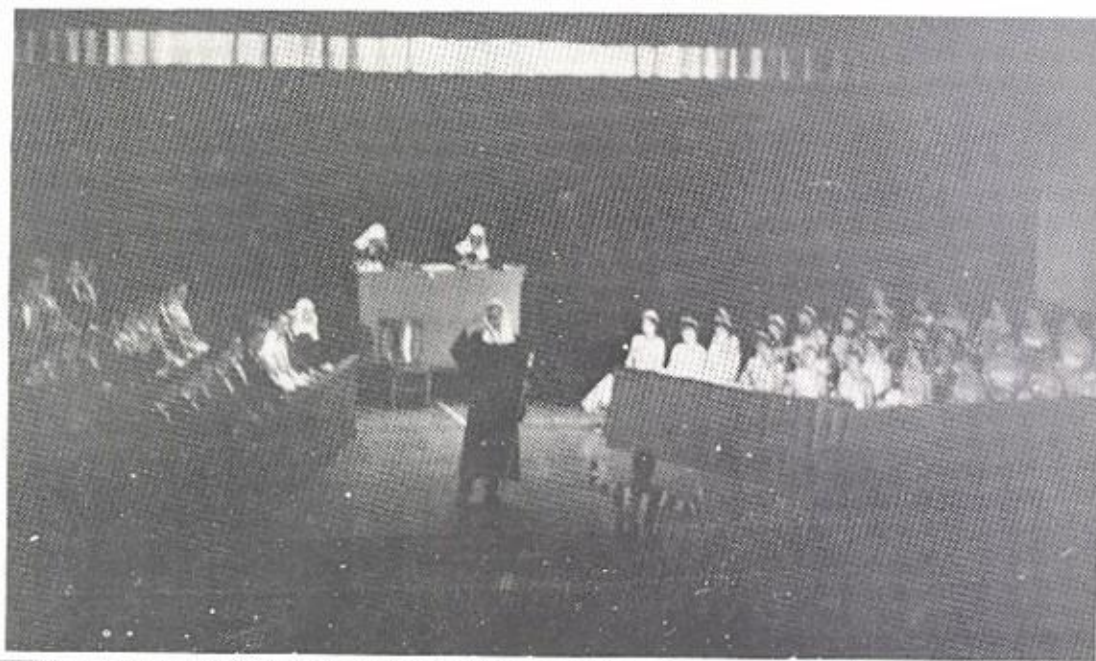

"I pledge myself to uphold the ideals of our school, to be kind, friendly, and helpful in all ways and at all times to those who may need my assistance. As a Big Sister, I will cheerfully assume responsibility and perform my duties to the best of my ability."

This is the obligation repeated by all Big Sisters as they enter the organization. The girls, who must be juniors or seniors with at least a "C" average, are chosen for their qualities of loyalty, dependability, friendliness, and willingness to serve the school and their schoolmates.

Big Sister social functions include the Alumni Reunion Tea at Homecoming; the formal dance at Thanksgiving; Bow Day on Valentine Day; and, in the spring, the pledge tea for new members and their mothers.

NATIONAL THESPIANS

The National Thespian Troupe is the senior dramatic club of our school. Troupe 733, which was organized in 1946, has as its goal the promotion of dramatics in our school. Members of this organization act in plays, make costumes, build scenery, and handle props.

To become a Thespian, a student must first belong to the junior dramatics club, Stage and Stammer. Ten points must also be earned in dramatics, which require 100 hours of rehearsing or working back stage. Meetings are once a month on a Thursday evening.

For their work and participation, Thespians receive school letters and awards. A best Thespian award is presented to a deserving person at the annual banquet.

STAGE AND STAMMER

In 1941, Stage and Stammer was organized to provide opportunities for students interested in the theater.

It is a work organization which helps with the mechanical functions of the main plays. Members also present one-act plays. The students participating in Stage and Stammer try to earn enough points to become members of the National Thespian Troupe.

CHOIR

The Choir is Wood River High School's busiest choral organization. It is constantly called upon to perform for various school and community activities. Some of its activities for this year include the Madison County Teachers Association; fifteen civic programs; All State Chorus; County Vocal Festivals; Christmas Pageant; Operetta, "Trial by Jury"; Fine Arts Festival; and Commencement.

Members are upperclassmen, and are chosen each spring by tryout only. Personality, appearance, and alertness are necessary requirements. Students must also maintain a "C" average.

MAJORETTES

WOODCATS

The Wood Cats were organized in 1953 and have kept very busy since that time. These "Cats" appear at all the home basketball games, at the Coronation, at pep assemblies, at several dances and at various gatherings in the community.

These "Cats" play arrangements ranging from Dixieland to modern jazz. They feature "Baby Sitters Blues" as their theme song.

THE

One of the most active organizations in our school is the band. The Concert Band presents its annual concert in February and also performs at the Fine Arts Festival in the spring.

The Marching Band presented the entertainment at all the home football games during halftime. It took part in the East Alton Halloween Parade and the Southern Illinois University Homecoming Parade. It also performed at the Coronation. Every spring the band takes an annual concert tour. Last year they toured southern Missouri.

In November, the advanced students had the privilege of attending the Madison County Sight Reading Conference, and in March they attended the All-County Music Festival.

A Marching Band is not complete without its Majorettes. With their sparkling uniforms and lively routines, the Majorettes lead the Band during halftime at all home football games. This fall they appeared at the Coronation and went to Carbondale to represent our school in the Southern Illinois University Homecoming Parade.

The Majorettes wear white shorts and coats trimmed in maroon, white boots, and sparkling gold top hats.

OILER STAFF

Have you ever wondered what kind of dilemma goes on inside the art room where your yearbook is organized? In case you have, the following will give you a brief glance of what the staff does to get the yearbook to you.

To put a yearbook together requires the use of various groups which have their own special jobs to perform. The Organizations and Activities Staff schedules pictures for clubs and various groups, the Writing Staff writes about the activities of organizations in the school, the Classes Staff sorts student pictures into their right groups, the Art Staff designs the cover and divisions between the pages, the Sports Staff organizes the athletics section, the Photography Staff takes pictures of clubs and social and sports events, and the Business Staff sells ads to merchants to help pay for the yearbook.

If you can picture these staffs in the art room at the same time, then you can see the correct usage of the word *dilemma*.

The most frequently asked question is, "Where is the dummy book?" (Which is the model of what the finished *Oiler* will look like.) Between the lost "dummy book," lost pictures and articles, the yearbook still meets its deadline.

This same situation probably happened to the first yearbook staff, which was in 1924; and will probably happen to all future staffs.

Good luck, future staff members!

Qualifications for membership are to maintain a "C" average, to include two years of science and one year of math, to complete a project during the year, and to contribute five hours to some worth-while cause.

The first meeting in the fall is a picnic. Guest speakers, movies, and trips are included in other meetings. The last meeting of each year is a banquet, held for the Future Nurses and their families. Awards are presented, and officers for the coming year are installed.

Members of the Honor Society are chosen by the students and approved by the faculty on the basis of four qualities: scholarship, leadership, character, and service.

Each year the Honor Society presents an assembly program on scholarship and college opportunities. Also, new members are inducted in this assembly.

Later the junior members, dressed in white caps and gowns, serve as ushers at Commencement.

The aims of this club, as they are stated in its constitution, are to increase the knowledge of science, to learn to perfect our skills in science, to give service in our community and nation, to understand the importance of science in our lives, and to help carry out the program of Science Clubs of America.

Only freshmen and sophomores who are taking general science or biology and have at least a "C" average are eligible to membership.

The club's activities include field trips, an over-night trip to Marquette Park, and work on science projects to take to the science fairs at Jacksonville and Champaign.

PEP CLUB

Come on, team—Fight, Fight, Fight!

Our cheerleaders enthusiastically lead peppy cheers such as this one to encourage the Oilers on to a triumphant victory. Members of the Wood River High Pep Club stomp their feet and clap their hands to create more pep and noise. As a game progresses, the excitement of the Pep Club grows.

How can you become a member? Just attend Pep Club meetings, be a loyal supporter of school spirit, attend all Oiler games, and have a strong voice.

The first Pep Club was organized in 1950 with the name Kids Enthusiastic with Pep. In 1956, the name was changed to Pep Club.

FOOTBALL

The 1959 East Alton-Wood River High School Football Oilers didn't win all their games this season, but they provided many exciting ones for the students through the wet season. The Oilers had some of their worst breaks at home with almost every game being played in the mud. However, they managed to whip the Jerseyville Panthers by a score of 26-20.

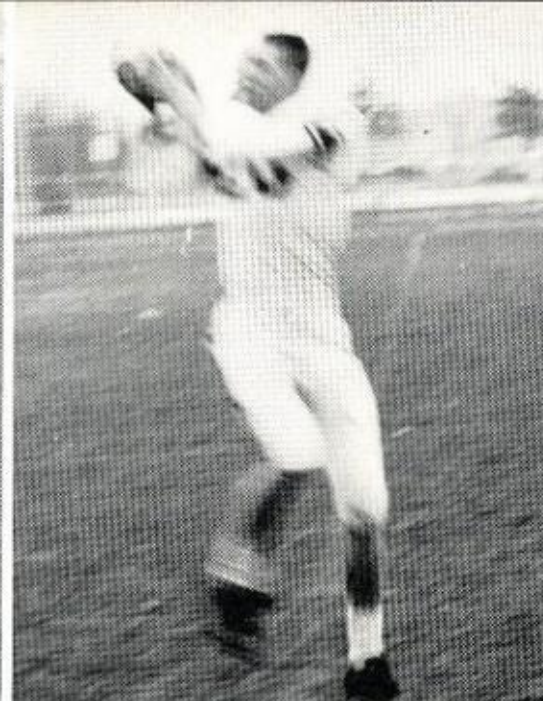

In the first quarter, after a 34-yard drive, Larry Priest recovered a fumble in the Jerseyville end zone, and Clark Miller ran the ball for the extra point. Because of their weaker foes, the Oilers were able to move the ball at any time they wished. However, Jerseyville's Roger Gross intercepted a pass from Larry Feezel for the first Panther touchdown. Then, the Oilers came back in four plays to send Larry Hinson over the goal line from the two-yard marker. During the second half, the Oilers were still going great guns as Clark Miller broke loose from scrimmage to run 69 yards for a touchdown. The Oilers now led 20-13. Another scoring drive was put together by the Oilers and Hinson again cracked over from the six yard line. All during the while, when the Oilers were on the defensive side of the ball, spectacular tackles were continuously being made by John Heck.

Even though the Oilers only won one out of nine games this year, the hard-playing and hard-fighting Juniors will be at full strength in 1960.

FRESHMAN FOOTBALL

The freshman squad had an exceptionally fine team this season. Even though they only won three games and lost four, they continually put forth their best efforts. To prove this, thirty-two out of the thirty-three boys on the team received letters.

The boys will well remember the game played against the Edwardsville Tigers. It all started at the half. The team was losing by a large margin when the horn sounded. During the break, Coach gave them a "do it or else" pep talk. Confidently, they marched onto the field and made a startling comeback, tying the score. The squad was very much at ease and feeling splendid. Then, when the ball was snapped by Edwardsville in the last

quarter, the horn blew and off the field the Oilers went running and yelling. What they did not know was that the ball had been snapped before the gun had sounded and that they had left John Kassak on the field running after the ballcarrier, all by himself. And, just as John neared his heels, the Edwardsville boy stepped across the goal line, winning the game 12-6.

This mistake cost our freshman squad a football game and a temporary loss of pride, however, they came back to win their next game against Roxana 26-25. With this lesson came the practice that will make this group of boys the Varsity Oiler Squad of 1962.

CROSS COUNTRY

This year, an outstanding Oiler Cross Country Team, developed through the efforts of our new coach, Coach J. Paul Gardner, captured first place in 5 dual meets and second place in 6 meets. Also, after seizing eleventh place at the Beumont Invitationals, the harriers tied for fourth place in District competition.

Our high school was very well represented by a most impressive Junior-Varsity, who won first place in 8 dual meets, tied in 1, and placed second in 3. Through these wins, both the Varsity and the Junior-Varsity finished the season with a fourth place in the Southwestern Conference.

Outstanding victories were: Wood River 28 — Collins-

ville 31 . . . Wood River 22 — Western Military 57 . . . Wood River 27 — Roxana 37 — East St. Louis 61.

Outstanding boys on the team this year were Ronald Evans, a Junior, and Larry Barry, a Senior. Both boys returned from the Beumont Invitationals with impressive standings, and both boys qualified for the State finals, Barry winning first and Evans taking fifth in the District meet. When the course was run to decide the State championships, Evans captured tenth while Barry received twenty-seventh. Looking ahead, the prospects for next year may prove to make an even better team than was made this year.

WRESTLING

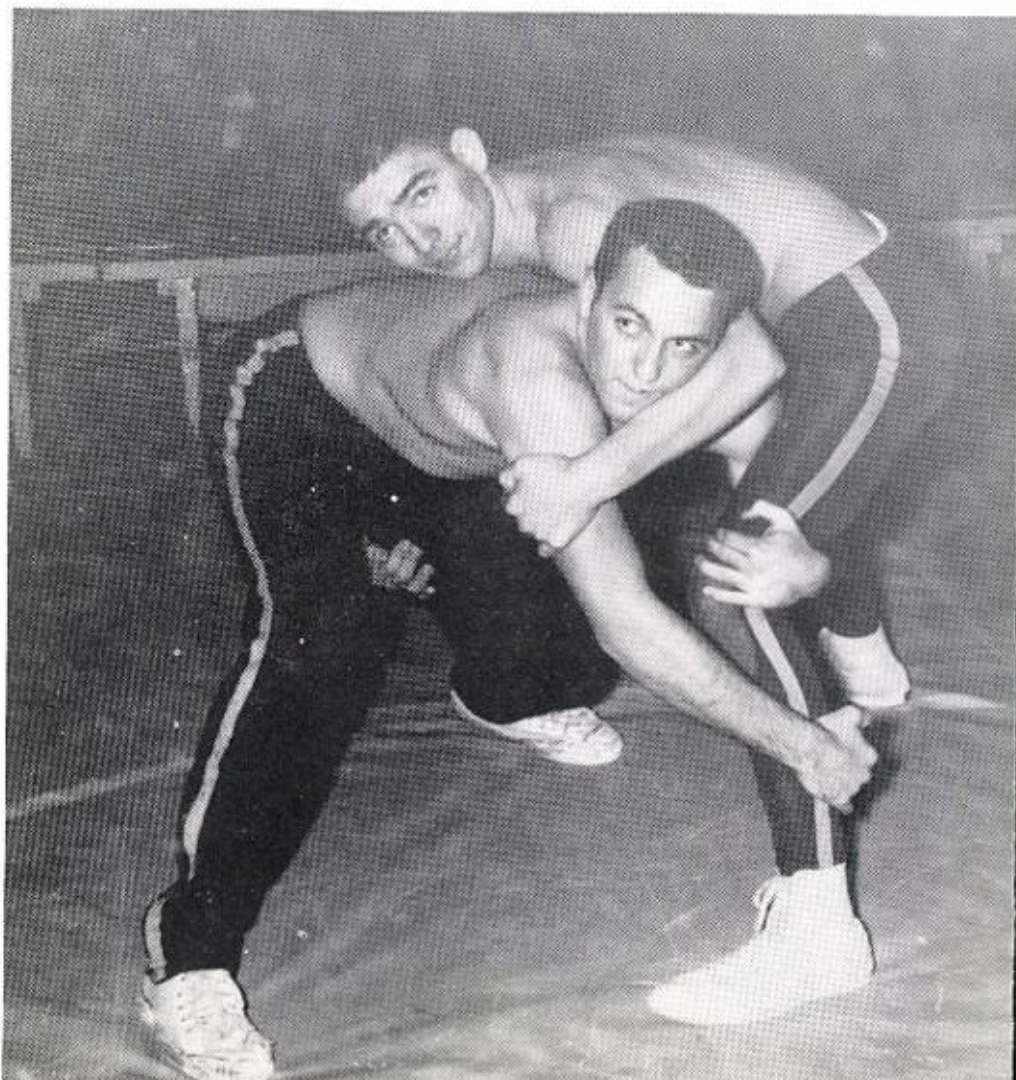

Our Oiler matmen have started their season off with a "bang". So far, they have secured a 1 - 1 record out of their sixteen scheduled meets. The Varsity Team consists of: Denny Sparks, wrestling at 95 lbs.; Mike Seward, 103; Joe Costanzo, 112; Tony Kusmanoff, 120; Mike Bandy, 127; Boris Kusmanoff, 133; Wayne Yoder, 138; Victor Harvey, 145; Scott Sidener, 154; Don Neece, 165; Richard Braden, or Jim Kanter, 180; and Albert Sheets, Heavy-weight.

In the first match of the season, the grapplers lost 30 - 16 against Evanston, which has been ranked among the first five teams in state during the last five years. Of the twelve men who wrestled, the four winners were: Tony Kusmanoff, 3 - 1; Mike Bandy, 4 - 2; Boris Kusmanoff, a pin in 1:06; and Don Neece, a pin in 2:20.

In our next meet with Roxana, our Oilers won 40 - 10, losing only two matches, through a forfeit and a pin. Highlights of this meet were: a 5 - 2 victory by Denny Sparks; a 2 - 0 win by Mike Seward; a pin by Tony Kusmanoff in 2:05; a pin by Mike Bandy in 2:00; a pin by "our" senior, Boris Kusmanoff, in 1:35; a pin by Wayne Yoder in 1:28; a pin by Scott Sidener in 1:26; a pin by Don Neece in 1:21; a 6 - 2 victory by Jim Kanter; and a pin by Albert Sheets in 1:23.

With fourteen matches left, our Oilers are working

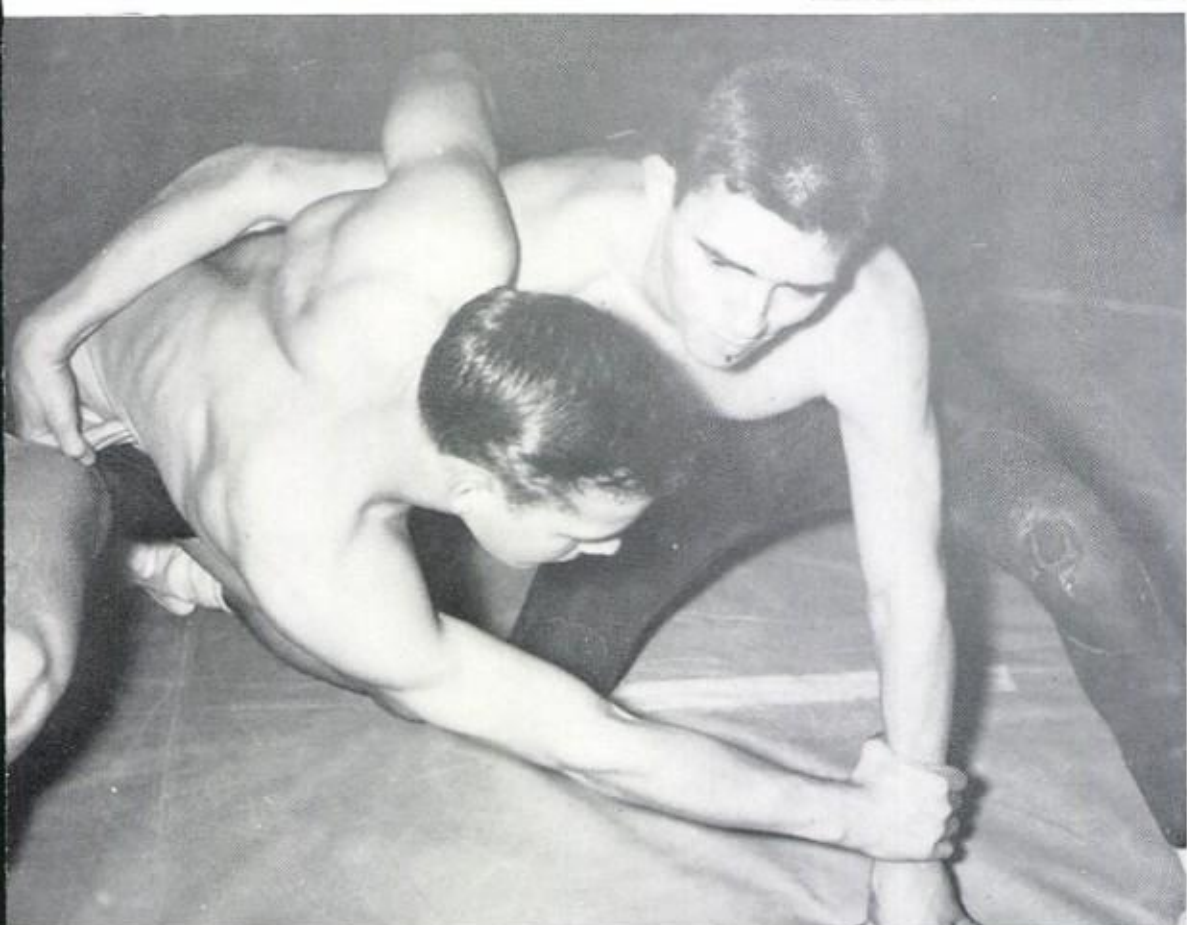

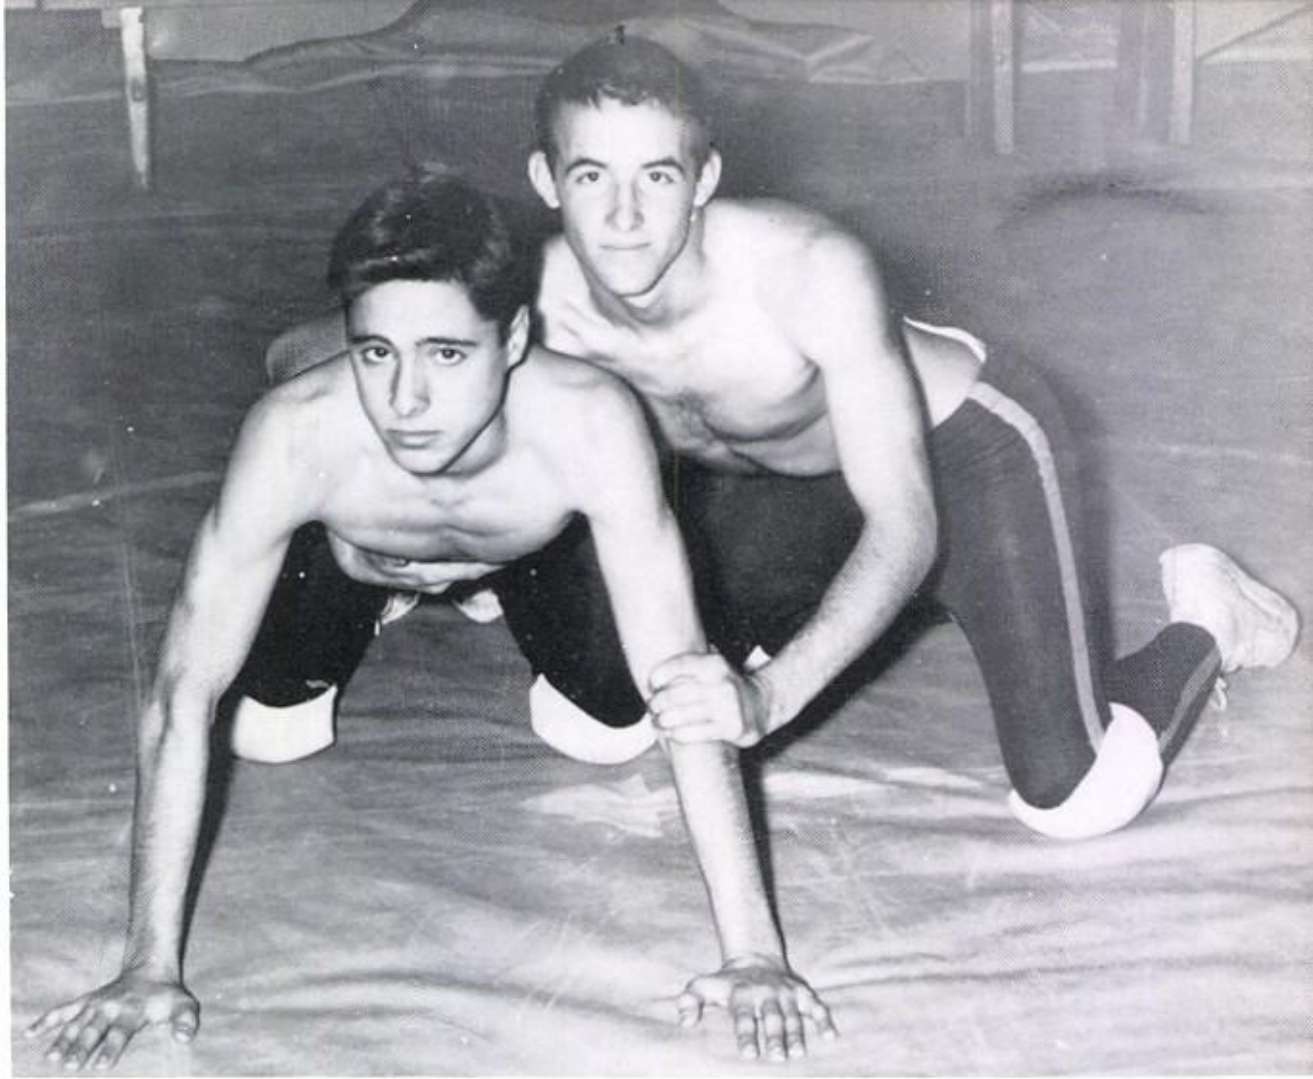

extra hard to improve as much as possible before the District, Sectional, and State meets this spring. As of now, our Oiler Wrestling Team for 1960 looks as though it will rival that of Granite City, who has the toughest wrestlers in our area.

TRACK 59'

The East Alton - Wood River Community High School Track Team was blest with many outstanding individuals this season. The best individual performance was Bill Brown's 12'4" pole vault. The outstanding event for the team as a team, was the Low Shuttle Hurdle relay race. In this race at the West Frankfort Relays, our team, composed of Dennis Bunting, Irv Inskip, Jerry Hanner, and Roy Webb, placed first. Also, at these Relays, our Distance Medley Team, composed of August Sorgea, Bill Brown, Larry Reynold, and Larry Barry, raced hard to reach the finish line for a second place.

Finally, to tie up the season, two trackmen represented Wood River in the State Finals. These two boys were Dennis Bunting and Irv Inskip. Bunting's best record for the event which he went to State for, the High Jump, was 5'11"; Inskip's best record for the event he represented at State, High Hurdles, was 15.2.

Jerry Hanner: Fleet-footed.

Before the last event, Brown was losing by a score of 4010 to Ed Ford of Granite City. In his outstanding performance of running the 660 yd. dash he was able to take the first place honors by a score of 4575 to 4495.

In the Junior Division Decathlon, however, Lowell Brown, a Freshman, placed ninth. His best performance was the Broad Jump in which he jumped 18 feet 8½ inches. His total score was 2880.

GYMNASTICS

With the arrival of the new Juniors' physical education teacher, Mr. John M. Cates, a new sport is rapidly becoming popular. This new sport is called "gymnastics," and it includes such things as: excersises, calisthenics, and acrobatics. Because it is a great activity and is providing "loads of fun" for its participants.

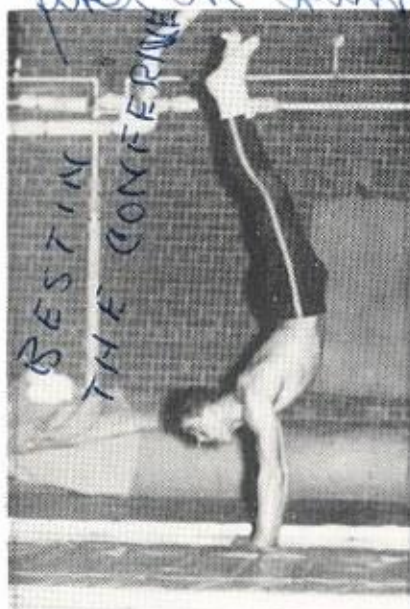

Since this is the first year of any such sport of this kind, the boys in the Gymnastics Club have been visiting Roxana High School to watch their team work-out and to get some pointers from some "old pros." Already Coach Cates says that we are ahead of Roxana in tumbling, but that the stunts on the "horse," the trampoline, and other equipment takes time and practice.

On the calendar for this school year: A visit to a "gymnastics meet" at Southern Illinois University, Carbondale . . . a trip to a gymnastics meet at the University of Illinois . . . and a "gymnastics exhibition" to be given before the student body in an assembly this spring.

And so, the Oiler Sports Department wishes you, Mr. Cates, good luck and continued success with your Gymnastics Club.

'59 BRINGS VICTORY

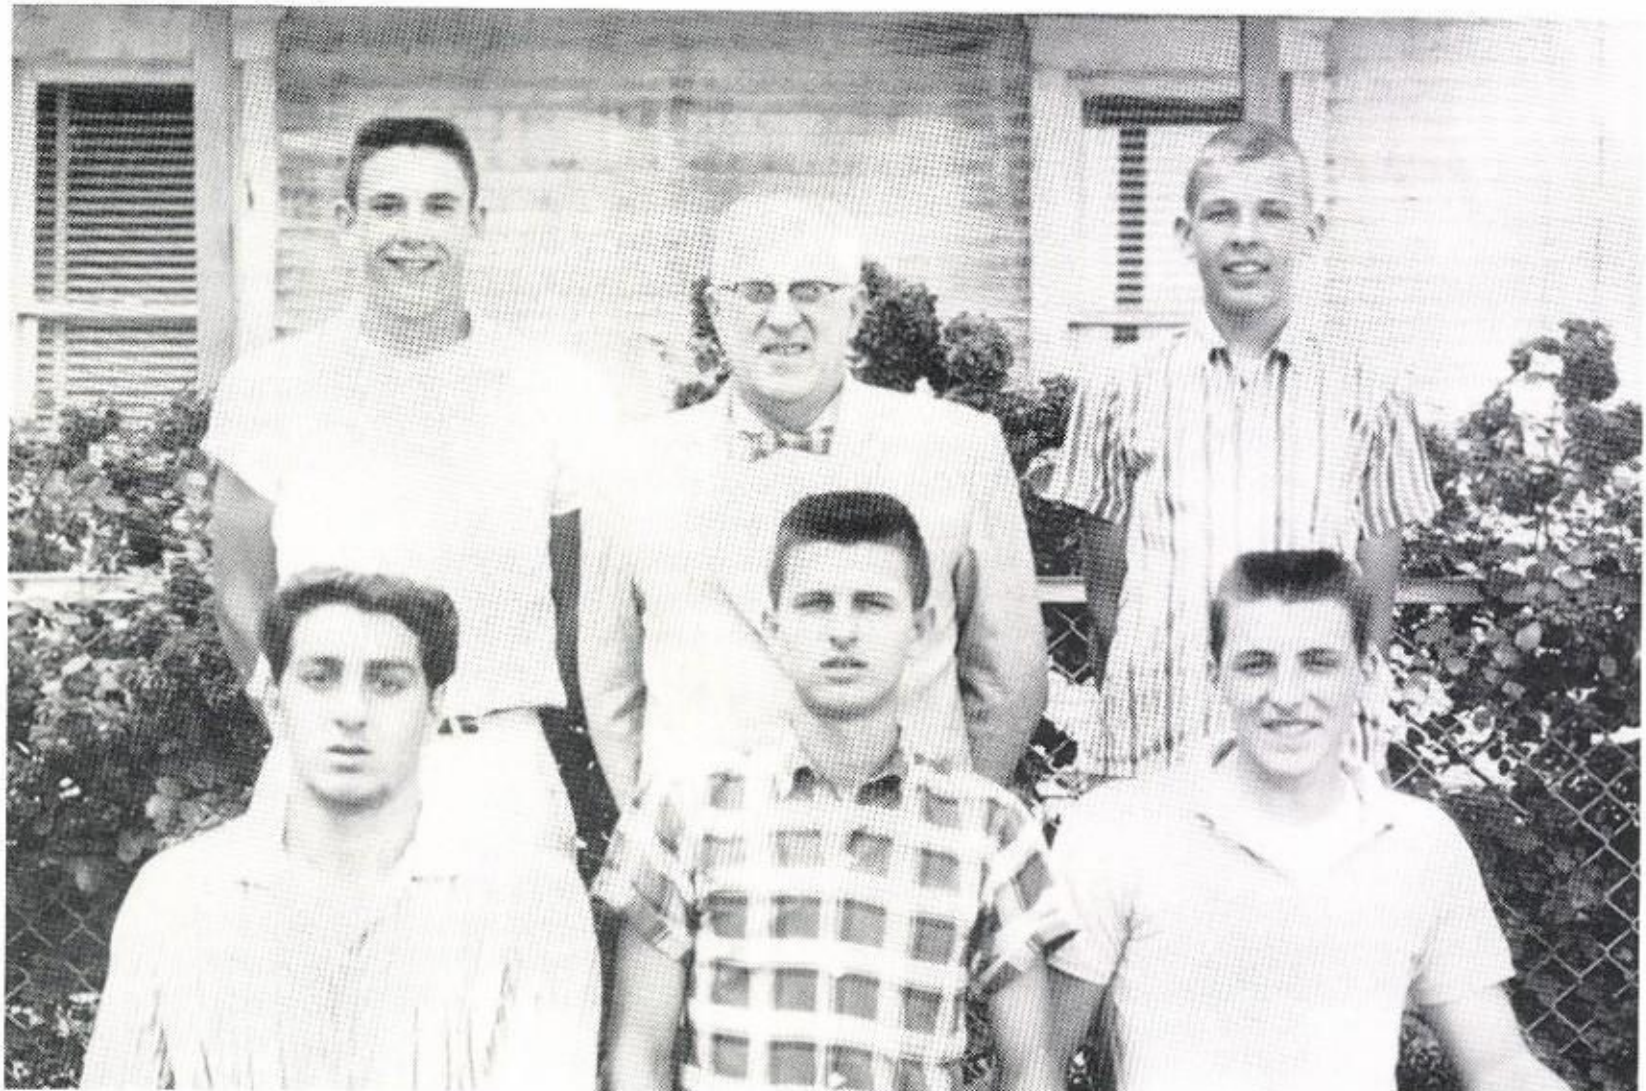

This spring, Coach Favre Gould's Varsity Tennis Team, led by Captain Gary Ballard, began a promising season of twelve very difficult matches. Our Oiler netmen displayed considerable strength this year, especially in the doubles' teams. Also, even though the team was handicapped in many ways, the season was unusually good; near the middle of May, our Oilers played a thrilling match against Western Military Academy of Alton winning 3 - 2. Likewise, four close matches were played opposing Roxana and Collinsville and were all lost 2 - 3.

In District competition, Randy Kienstra was our representative in the singles' class. The Oilers first doubles' maestros, Gary Ballard and Gary Lane, swung the cat-gut to whip their competitors from Lebanon. Even though they fought and played hard, they were beaten by Belleville 3 - 5. The overall season record for the doubles team was: 8 matches won and 4 matches lost.

The Varsity Tennis Team consisted of: Gary Lane and Gary Ballard, first doubles; Ralph Yakuboff and Mitse Kusmanoff, second doubles; Randy Kienstra, first singles; Gerald Magurany, second singles; and Stacy Hegeman, third singles. Substitutes for the team were: Tom Burke and David Gentry.

With fall practice underway, Coach Gould is looking forward to even greater victories and more lettermen.

TENNIS

Front Row: Ralph Yakuboff, Gary Ballard, Captain; Mitse Kusmanoff. Standing: Gary Lane, Coach Gould, and Randy Kienstra.

BASEBALL

With the opening of the 1959 season, the Wood River Varsity Baseball Oilers conquered the Bethalto Eagles 12 - 3. In the second game of their season, the Oilers romped Edwardsville 8 - 4. Other highlights of the season were: a 6 - 0 win over Western Military Academy; a thrilling 4 - 2 win over Roxana; an 8 - 2 victory over Bethalto; and a 2 - 0 victory over Marquette. At the end of the season, however, it was evident that the Oilers played very exciting ball, since they broke clean with 9 wins and 9 losses.

Tom Yopp and Gordie Hill both topped the '59 team with a .333 average. Hill led the team with 19 hits followed by Yopp with 16. Also, Dick Worthen chalked up decisive home runs in some of the close games. Hill, Worthen, and their teammates all show great promise for our 1960 team.

LASSMEN

The image features a minimalist abstract design. Two overlapping gray triangles are set against a white background. The first triangle is a tall, narrow shape on the left side. The second triangle is larger and more irregular, positioned in the center and overlapping the first. The text 'LASSMEN' is printed in a bold, black, sans-serif font across the bottom of the composition. The letters are partially obscured by the gray triangles, creating a layered visual effect.

BIG SISTERS

PLEDGE TEA

BOW DAY

This year, as has been the practice in many years past, an elected group of Sophomore and Junior girls became members of the Big Sisters Organization.

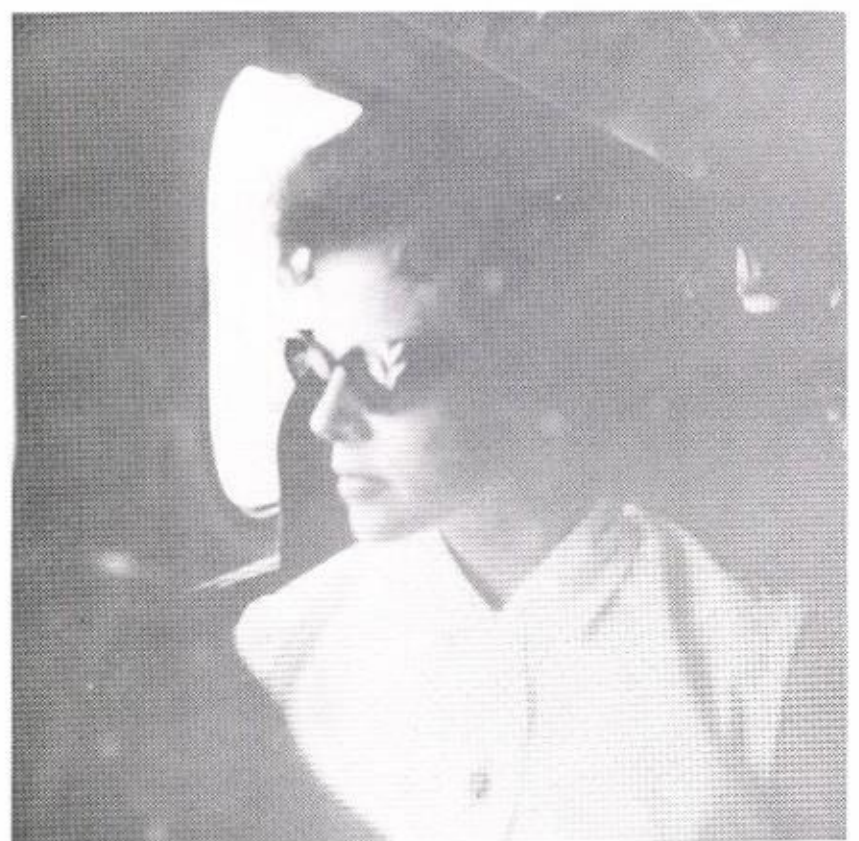

Besides the induction of new members, the graduating Big Sisters were presented gifts by the other members.

The Pledge Tea is held annually on a date close to Mother's Day. At this tea, the new pledges, the senior members, and their mothers are honored.

On or near February 14, which is Valentine's Day, the Big Sisters conduct their annual Bow Day. This year was no exception. As a person walked down the hall, he was approached by a girl carrying a large stuffed animal which was completely covered with bows of all shapes and sizes. Usually he has no alternative; he just has to buy a bow.

Indeed, Bow Day is a day that is filled with color and excitement, and we hope it shall continue through the years.

'1960 TRACK BRINGS OUT BEST'

The 1960 Spring Track Team started off the season with a "bang." In their first meet, the Oilers beat Granite City by a score of 71½ to 41½. A few weeks later, in a triangular meet, they rolled up 86 points to Jerseyville's 40½ and Assumption's 21½.

During the season, however, there were many outstanding marks set by those representing our school in this sport. The outstanding feat of the year was Larry Berry's time in the mile run at the District Track Meet. There Berry was timed at 4:30.1, to top all of the other entries by many seconds. Another single performance which brought distinction and honor to our school, was Loyd Grafford's running in the 220's 440's, 100's, and 50's yards. Outstanding team performance was prevalent in the Oiler's mile relay entry. This team, composed of Sorgea, Braden, Webb, and Van Horne, ran the event in 3:35 for a new school record. Also, the 880 relay team shined when it composed of Miller, Braden, Grafford, and Van Horne, was timed at the West Frankfort Relays in 1:33.5.

THE GIFT OF THE MAGI

On December 13, at 4:00 o'clock, our annual Christmas Pageant was held in the auditorium. As is the custom our queen, Miss Sally Allen, was the Virgin Mary.

The three wisemen, George VanHorne, Larry Priest, and John Ebbert, brought the baby Jesus rare gifts of beauty.

These two scenes were a part of the holy ceremony.

BACCALAUREATE

As is customary every year, the graduating class of Wood River High School participated in the Baccalaureate service held Thursday, June 2. The sermon was given by the Reverend Walter C. Burk, pastor of the First Baptist Church in Wood River. His topic was "Turning Existence into Life."

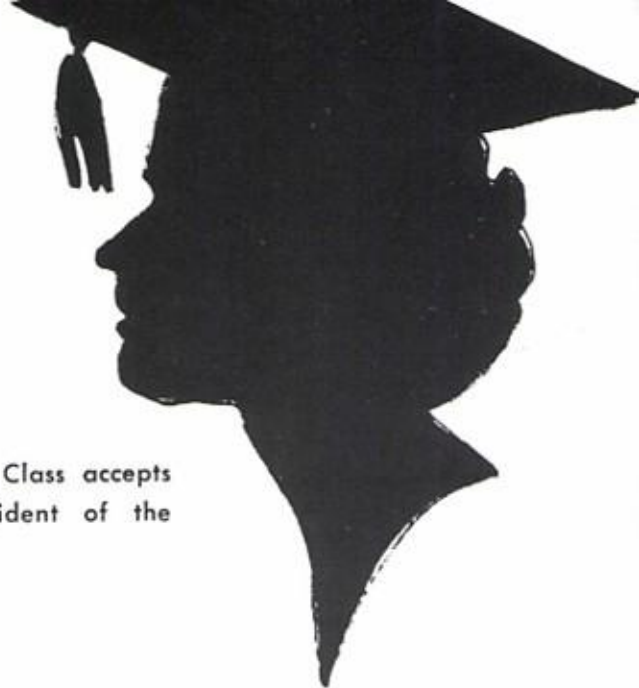

The choir sang three songs in keeping with the religious setting. The songs were: "The Lord Is A Mighty God," "No Man Is An Island," and "The Lord Bless You And Keep You."

As the recessional started and the seniors passed from the auditorium for the last time, the memories of high school days passed through their minds.

The great Class of 1960!

The President of the Senior Class accepts his diploma from the President of the Board of Education.

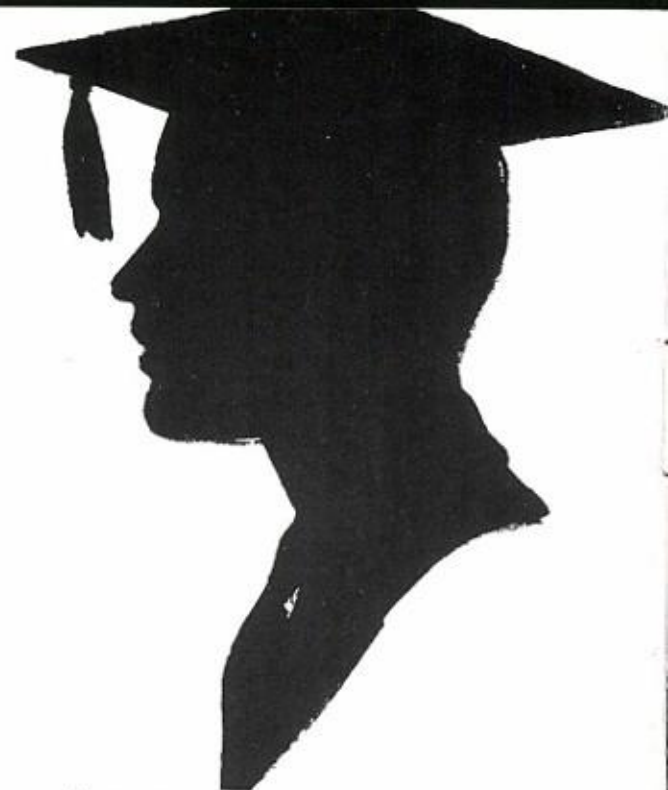

CLASS OF 1960

Every student awaits the moment when he receives that all-important document, his diploma saying that he has completed his high school training. On Wednesday evening, June 8, 1960, the Senior Class of East Alton-Wood River Community High School realized this feeling of accomplishment.

The Commencement exercises that took place on that evening was the forty-first to be held at the school. The 1960 graduating class was a very large one. The total number of members was 205.

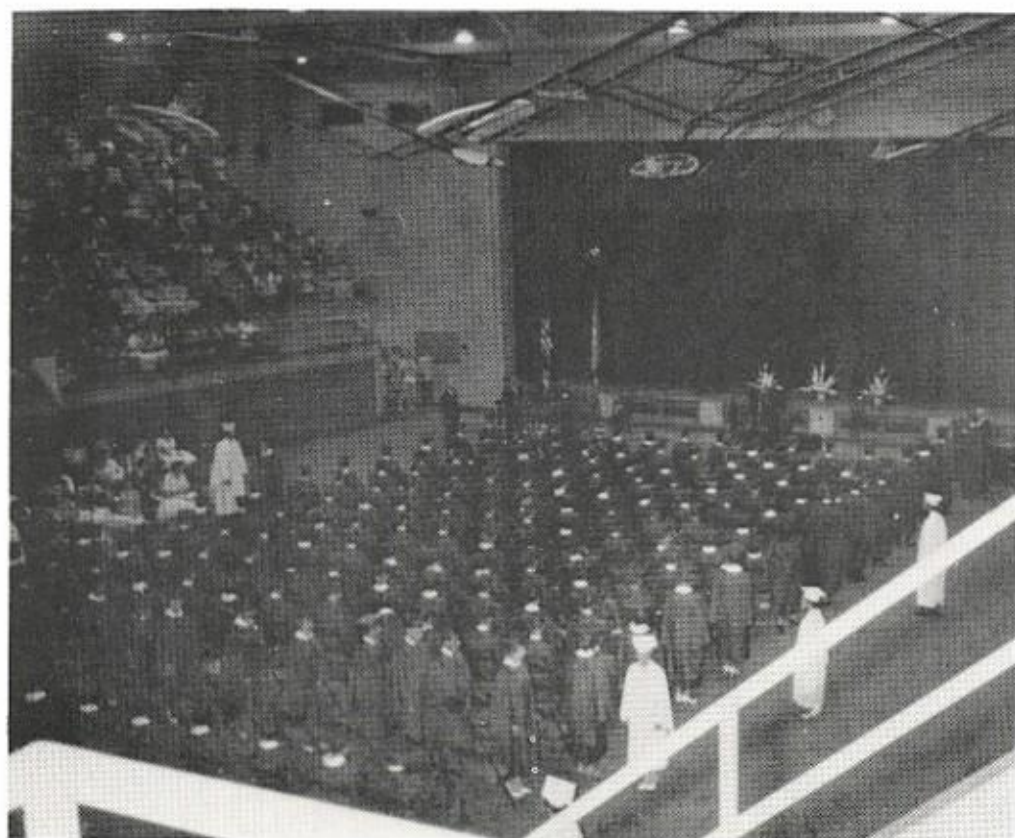

The program that was presented was very inspiring to all of the seniors. Reverend R. E. George, pastor of the First Methodist Church of Hartford, delivered the Invocation. Next on the program was the high school band, under the direction of Mr. Hughes, playing "Rhapsody In Blue." Mr. Ronald Wilkinson, President of the Senior Class, presented money to be donated to the fund for a new electric organ for the school. Dr. Robert G. Bone, President of Illinois State Normal University, gave a wonderful class address. Then the big moment arrived, the seniors received their diplomas from Mr. Thomas Holland, President of the Board of Education.

This year's Commencement is one that will live long in the hearts of those present, especially the seniors who are taking that big step into this wide world.

WE'RE GOING WITH YOU

Whether you know it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

Once you're established in business or professional life, you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc. merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities, and resources of two of the country's most rapidly expanding industrial organizations.

We extend our best wishes to you. May the future bring you all you've hoped for and everything for which you have worked.
